Sew Much Time is in an effort give us a whole day each month to sew and quilt.

We have arranged with the West Tisbury Library to use the library for a first **Sew Much Time** on Sunday, May 22nd, when it would normally be closed. Bring your machine, your quilt to be basted, your projects large or small, hand or machine and some for as much of the day as you please. The retreat starts at 9:00 and lasts till 4:00. This event, is free and open to the public. If there is interest we can continue **Sew Much Time** retreats each month.
